

Private Family Bush & Beach Escape

This journey delivers the ultimate private luxury experience for family and friends. Spend the first half of your visit discovering the intrigue and adventure of the bush with just you, your loved ones, and your personal staff while at exclusive Ol Jogi. Then make your way to Thanda Island – your own private island escape off the coast of Tanzania.

Itinerary	
Day 1-3:	Ol Jogi Wildlife Conservancy
Day 4-11:	Thanda Island

~ Itinerary Description ~

Day 1 – 3: Ol Jogi Wildlife Conservancy

Arrive in Nanyuki and transfer to Ol Jogi for the next three nights. You will have the opportunity to settle into your accommodations and get to know the private staff who will be taking care of your every need during your stay.

Ol Jogi is one of the most remarkable private wildlife conservancies in Africa. Family-owned for over 40 years, it is a safe haven for the preservation and future development of Wildlife Conservation. Comprising 58,000 acres (270km²) of unspoiled wildlife habitat in the Laikipia District of Kenya, the landscape startles and is unique in its diversity within Kenya. Ol Jogi provides guests with a tailored experience where each of their individual requests and preferences are seamlessly met. As wonderful and indulging as is Ol Jogi's home, the real treasure lies in the untouched nature, the wildlife that unfolds before your eyes and the freedom to do anything you wish within this magical setting. Ol Jogi becomes your own exclusive home where your adventures are only limited by your imagination. As a family, we also understand what children enjoy and are happy to ensure that their holiday experiences match that of their parents.

At Ol Jogi, you have the opportunity to get unusually close to wild animals through a variety of different and unique experiences. For 35 years Ol Jogi has operated as a private conservation sanctuary; the amount and diversity of wildlife is amongst the best in the world. We currently host 6% of the world's remaining Eastern Black Rhino and 15% of the world's remaining Grevy's Zebra plus significant populations of all of the "Big Five" along with several other endangered species. Activities include the Wildlife Rescue Center, game drives, bush walks & hiking (walking with the baboons & Mount Kenya hike available nearby), horse riding, fishing, camping, scenic helicopter flights, cultural activities, and river rafting.

Day 4 – 11: Ol Jogi Wildlife Conservancy

Transfer back to Nanyuki and make your way (on own) to Mafia Island for your boat transfer to Thanda Island. Meet the Island's staff and settle into your private accommodations. The next seven days will be spent discovering the beaches and inland forests of the island and enjoying island living.

Nestled within Tanzania's Shungi Mbili Island Marine Reserve, Thanda Island is 8ha in size, 1,1km in circumference and 350m wide, and surrounded by coral reefs, which protect it from stormy seas. This adds to the Island's suitability for families. All you need to do is fly to the international airport at Dar es Salaam, Tanzania's capital city, and we'll either fly you directly to the Island by helicopter or arrange a charter flight for you to nearby Mafia Island, where we'll meet you by boat. Once you step onto the silken white beaches of your own private island, surrounded by glittering turquoise waters, you'll experience a complete sense of freedom. Beach house romance, nostalgia and East African elegance personify the villa on Thanda Island, designed for a perfect summer in coastal whites, greens and blues.

Looking after your every need on Thanda Island is a select team dedicated entirely to you, including your own Executive Chef, Hostess, Housekeeper and Boatman. Dine on the beach or on an Arab dhow, have a massage on the beach or take a sunset cruise around your own private island; head out on a big game fishing adventure or bathe in the warm tropical waters where we will serve you a delectable picnic on a sandbank in the sea. Experience an off-the-grid lifestyle on the Island, which is powered by solar energy. For those who need to remain connected, the Island has full wifi Internet and mobile phone reception. You have exclusive use of the Shungi Mbili Island Marine Reserve surrounding Thanda Island. A boathouse full of equipment is yours to enjoy, and a Boatman is dedicated to you as your personal guide. Here, you can rest, rejuvenate, enjoy adventure sports and explore your pristine playground, where shades of turquoise infuse your days and tropical spices your nights.

On your final day on the Island, bid farewell to the island staff and transfer back to Mafia Island.
